September 18, 2006 Board Meeting

Present: Jennifer Phenicie, Deb Corbett

Minutes taken by Deb Corbett

Meeting called to order at 6:30 p.m.

Our only agenda item was to work on the By-Laws, which is not possible without a president.

Jennifer and I worked a little bit on letter to Carl from Lawns of Montana, she will get me the address. I will complete the letter and take it to Ron for his signature.

A member was there and we visited with her a little bit about the re-zoning happening with the Dougherty Ranch, asked that we sign the petition that there be some sort of a divider between the proposed commercial property and residential property, which we did.

Meeting adjourned at 7 p.m.
