THE 2021 BUDGET

The Budget for 2021 has been approved by the Board of Pleasant View Homes. We would like to form a committee this next year to possibly look at an increase of our monthly dues. Please contact claudiah@pleasantviewhomes.org if you are interested in being on the committee. We feel because of added repairs and maintenance it may be necessary.

The graph below shows where the monies have been spent through November 2020.
